Feline Friend

Feline Friends spend quality time with the cats, socializing them and helping to keep their apartments clean. You will also work with members of the public and help them find a cat that is purr-fect for their home.

Dog Volunteer

Dog Walkers/Canine Companions walk the dogs for exercise, provide enrichment using appropriate equipment and help teach the dogs basic obedience. You will also do some light cleaning if dogs have accidents in their rooms during the day, play with them in the play yard, and provide lots of one-on-one petting time in their rooms.

Lobby Attendant

Lobby Attendants help our adoptions staff greet and direct visitors during open hours. You might help with lobby cats and kittens, but your primary role would be making sure everyone is greeted with a smile and that they get signed in.

Gardening/Grounds Crew

Many people enjoying being outside getting their hands dirty whether in rain or shine. Be a part of our grounds crew to help take care of the many acres of land that provides our animals with adequate space to run and play. We want to make our facilities look and feel welcoming both inside and out – but it's only possible with your help!

Surgery Recovery

Recovery volunteers assist in monitoring patients following surgical procedures to support a safe and smooth recovery. Responsibilities include observing heart rate, respiratory rate, gum color, and watching for any signs of pain or distress. Additional physical tasks may include nail trims, ear cleaning, kennel sanitation, surgical instrument cleaning, and feeding animals. While these duties can be demanding, all volunteers receive training and work under the supervision of experienced veterinary staff to ensure they feel confident and supported throughout the day.

Administrative

Administrative tasks may vary from day to day, but if you have an interest in answering phones, data entry or basic paperwork, this role is for you!
